Modern English Translation

The spirits of your 4th Angle are Nine, Mighty in the firmament of waters: whom the first has planted a torment to the wicked and a garland to the righteous: giving unto them fiery darts to winnow the earth and 7699 continual Workmen whose courses visit with comfort the earth and are in government and continuance as the second and the third. Wherefore hearken unto my voice: I have talked of you and I move you in power and presence:whose Works shall be a song of honour and the praise of your God in your Creation.
