Modern English Translation

The Thunders of Judgment and Wrath are numbered and are harboured in the North in the likeness of an oak, whose branches are Nests 22 of Lamentation and Weeping laid up for the earth, which burn night and day: and vomit out the heads of scorpions and live sulphur mingled with poison. These are the Thunders that 5678 times in ye 24th part of a moment roar, with a hundred mighty earthquakes and a thousand times as many surges, which rest not nor know any echoing time between. One rock brings forth 1000, even as the heart of man does his thoughts. Wo, Wo, Wo, Wo, Wo, Wo, yea Wo be to the earth! For her iniquity is, was and shall be great! Come away: but not your noises.
